Dearest Bonnie,

Well this is what I've been looking forward to for a long time; - to finally be on my own, to try for baseball, and to come back and get my diploma, and also to come back to you.

I'm going to miss school in only one way, and that's because I won't be able to see you as often as I want to.

But I suppose I'm not the only one that feels like that about you. (and I can't go to Everett High or Lincoln, or even Anacortes.)

Received

And Bonnie, I hope you don't get too wrapped up in work at Fisher's this summer that you get too busy to see me.

And Bon, I am going to make that ball team this year, even if it kills me. (and it probably will.)

Well so long for now Bonnie, I'll see you tonight! Bye you now for, pick later up you.

Always Love,
Bob

JUNIOR PROM

Pat Henrich

love me!

Foreword

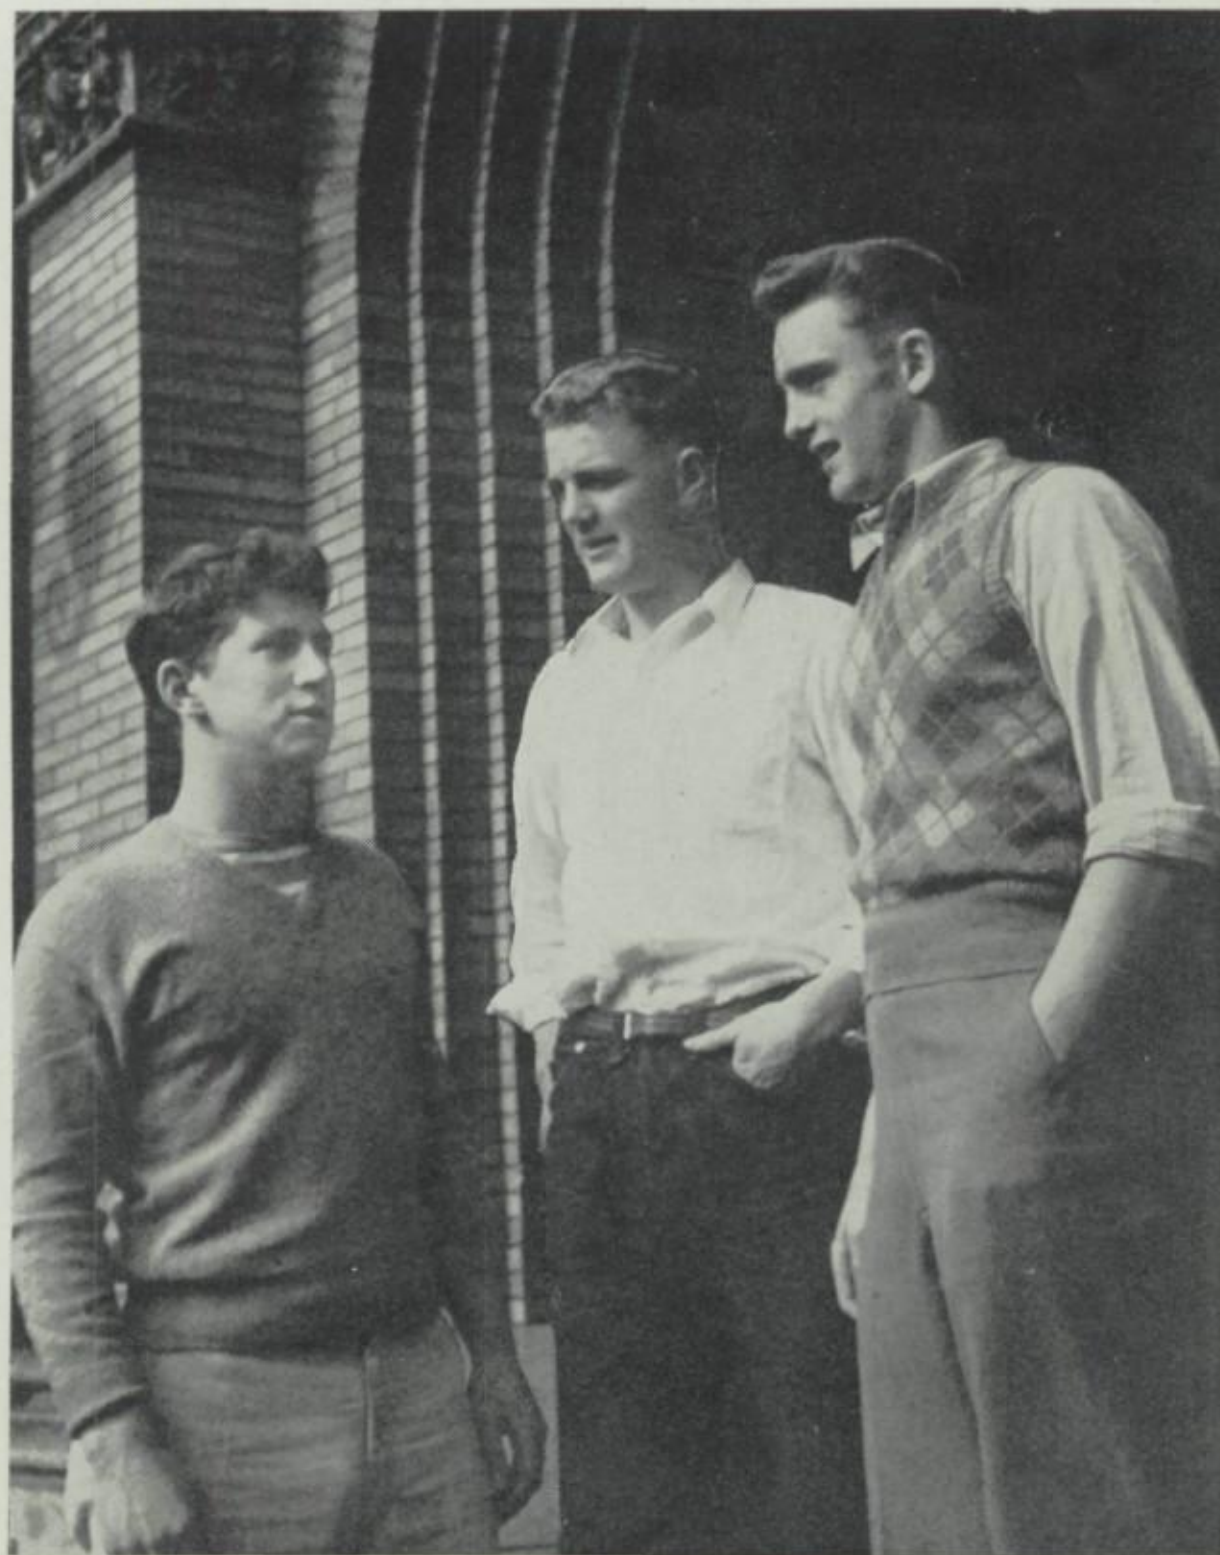

Planning and working to set high the standards of our beloved Stadium—

Thus juniors and sophomores labored earnestly to insure promises of better things to look forward to in their remaining years of high school. Seniors put forth every effort to make their last year a memorable one, one to recall with pride in years to come.

If this 1946 Tahoma can unfold a glimpse of that determination and vivacity, it will have succeeded in its purpose of conveying to you our theme—"The Spirit of '46."

—THE EDITOR.

Dear Bonnie
It's been swell knowing you and being with you in Anth. I class lots of luck in your future years out of stadium
Love Kindy

Dedication

The giant guns are silent,
The battle is won;
Homeward with joyful tears
Come father and son.

Thankful to leave the hell
Of blind, horrid fate,
Where the ground, stained by blood,
Shows death, sickness, hate.

How difficult to forget
The cruel pang of war,
The loss of our loved ones
We can never restore.

To these dead who gave all
And the peace they awaited,
This 1946 Tahoma
Is humbly dedicated.

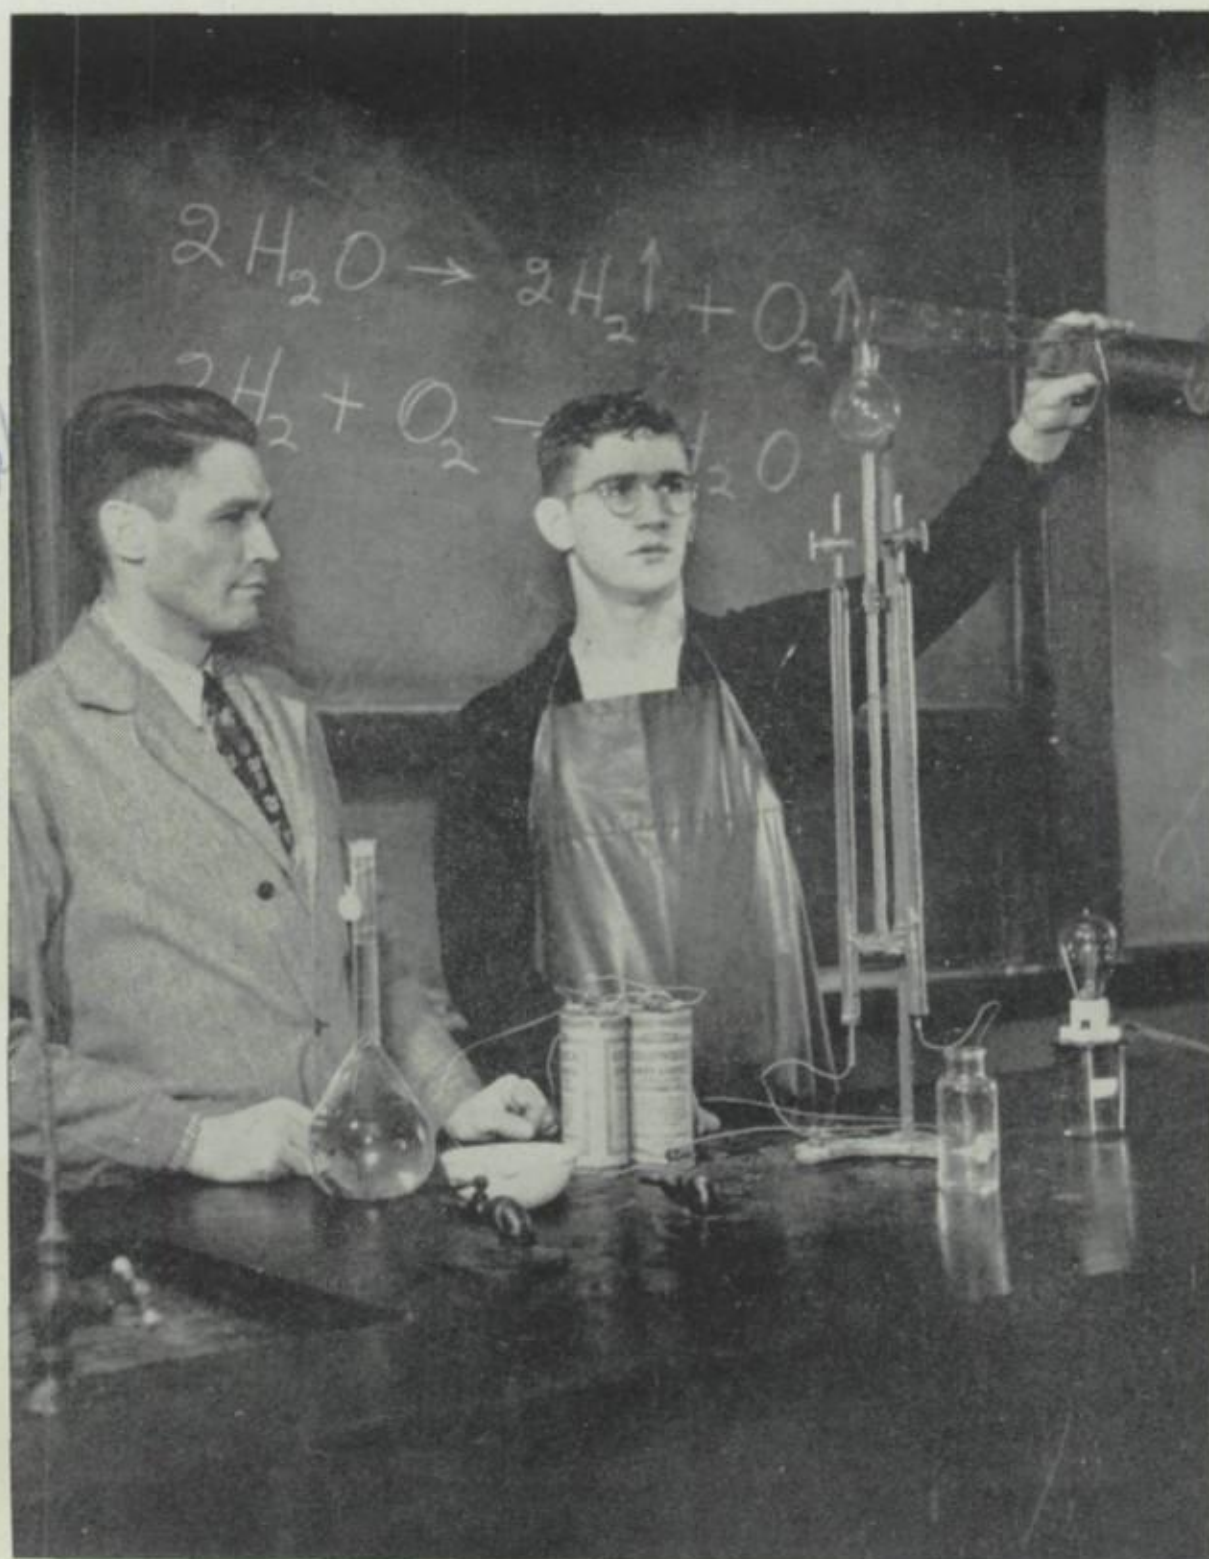

Faculty

The instruction and patience of our teachers have done a great deal to prepare us for the problems to be faced in years to come. Often, a word of encouragement has renewed our spirit to forge ahead with plans and ideas for the future.

Now, more than ever before, we must apply the advice given us to insure a happy world and a lasting peace. Regardless of our chosen profession, their explanations and guidance will make the road to success shorter, less difficult.

Dear Bonnie
Well we finally made it
& it's our very dear friend
Kippie Long. Isn't it. I hope
it's luck & happiness to
a sweet girl.

Love,
Barbara

Classes

Working side by side in studies and social events, Don and Anna Stadion graduate at the end of three years as a class.

Busy study hours give them a chance to cooperate with one another in a genial, cheerful spirit. Whether it be a muffin recipe, adjective clause, or atomic theory, students work hard to make the most of the fine category offered them.

The sophomore sweater dance, junior prom and many other activities are planned enthusiastically by each group for the benefit of the entire student body. It is here that the kind brotherly spirit of democracy is planted and encouraged.

Displaying talent and leadership in school life, the Class of 1946 will no doubt take a high place in the peace-time world, after graduation June 6. By a vote in February the class chose blue caps and gowns as commencement attire. This is the third year they will be worn instead of suits and formals.

Don Warter, first president in several years to serve the whole year without induction into the service, led the class with the aid of Dayle Hoegh, vice president; Claire Thompson, secretary; Jean Lee, treasurer; Clarice Loren and Allan Gord, girls' and boys' representatives.

As juniors the class elected Rolf Falk, president; Walt Hansen, vice president; Marjorie Scholdsten, secretary; Berenice Brewitt, treasurer; Betty Lou Goore and Bob Steinseifer, girls' and boys' representatives.

When sophomores the Class of '46 chose Bob Steinseifer, president; Jack Waechter, vice president; Paul Appling, secretary; Phyllis Kurrell, treasurer; Marjorie Nilsen and Walt Cumbo, girls' and boys' representatives.

Outstanding seniors in journalistic work were Beverly Leach and Marian Eldridge, editor and busi-

ness manager of the annual, respectively. Ed Hansen was editor in chief of the fall World and held the position of student adviser in the spring. Jacqueline Stephenson was the paper's news editor; Joan Fries and Nancy Thomas, feature editors, and Gene Lough, sports editor.

Active seniors in Girls' Club were: Jean McCrea, president; Maudie Boyle, vice president; Berenice Brewitt, secretary; Phyllis Kurrell, treasurer; Jo Ann Kirkebo, service chairman; Pat Wingard, social chairman; Eloise York and Claire Thompson, representatives. Senior boys represented in Boys' Club were John Gaston, president; Dick Nicholson, vice president; Gene Bolstad, social commissioner; Duane Westlin, athletic commissioner; Jack Bitcon, welfare commissioner.

Taking important parts in the Senior Class play, "A Little Honey," presented December 13 and 14, were Jerry Miller, Barbara Graham, Ruthella Raver, Gordon Anderson and Nancy Andrews.

At its last social get-together in May the Class of '46 had a dinner-dance, with Frannie Huber and Marjorie Nilsen co-chairmen of the dinner and Alice Stebbins and Doug Johnson in charge of the dance. Ben Marble was toastmaster.

Peacetime

"JAP SURRENDER NOW OFFICIAL!"

How wonderful to see the headlines August 14, 1945, for they signified peace at last. Although the news meant something different to each of us, the tired peoples of all nations welcomed it with joy and relief.

To the Castle peace brought back the end of gas rationing, glorious ski trips and fresh activities. Even more important was the return of brothers, sweethearts and classmates.

Looking upon a future of serenity and cooperation between countries has encouraged "The Spirit of '46." Their struggle to bring school life back to normal will make high school days richer and fuller for classes yet to come.

Dear Bonnie, here
 well it's has the last
 at last. I sure forget
 been a lot of fun
 few years. I'll never
 the Broadway Bowling alley
 where I first met you. Boy
 was I surprised to find
 you were Bob's cousin.
 I don't make the couple
 it doesn't and I hope to see
 I sure had fun
 we were the success
 was in the future
 love and success

Peace

August 14, 1945—final peace at last! A day of rejoicing when the problems of peace, and of the terrible power that had made its world debut over Hiroshima, filled the thoughts of people everywhere. Stadiums, too, pondered on these matters. On the other hand, unlimited gasoline meant that jaloppies were rolling again. Stadium rooters were able to attend more out-of-town basketball and football games. Once again week-end trips to the snow-covered slopes of Mount Rainier were possible, with the result that Ski Club was revived after a wartime absence.

Taking advantage of the G. I. Bill of Rights, many returned veterans were seen in classes at Stadium, while other boys who had reached draft age were allowed to continue their education. Students saw touchdowns and tackles by spotlight, as night football games were again allowed. The end of shoe and meat rationing was good news to the Castle, as well as to the rest of the nation. Pre-war candy bars began to trickle into the lunchroom, and the gradual appearance of nylons gladdened Stadium girls.

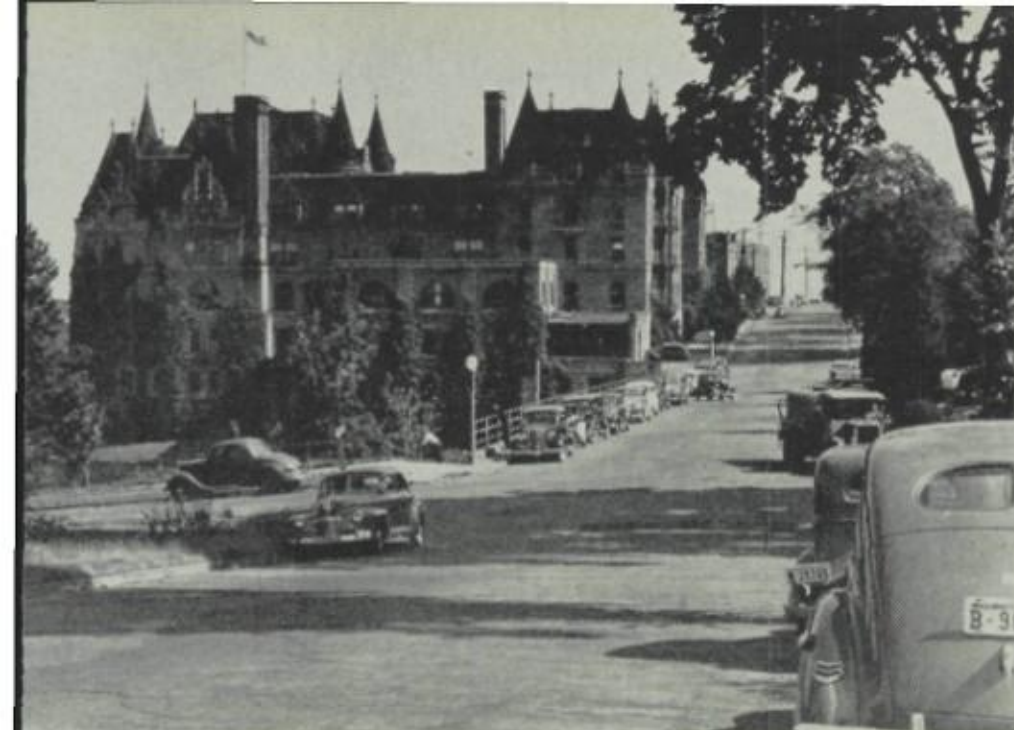

The Tahoma editor and adviser breathed a sigh of relief as they discovered that paper and film would be much easier to get for the yearbook.

Perhaps the only cloud on the silver lining was the lengthening of school hours until 3 o'clock, but even this was a benefit to students who needed extra credits. With the new semester in January, the daily program was changed from five to six periods. Senior girls were given a sixth-period study hall whenever possible in order that they might play their team sports for athletic letters then, instead of after school.

But the biggest joy the peace brought to the Castle was the knowledge that no longer would boys go out from Stadium to fight and die in the agony of war.

(Right) Larry Whipple gives returning service man, Dave Pratt, a warm welcome.

Many cars are seen outside the Castle as peacetime means the end of gas-rationing.

Large troop ships, docking at Tacoma, bring back class mates and members of Stadium's families.

Students welcome the return of nighttime football games.

Stadium girls help to welcome incoming G. I.'s.

The lunchroom has more candy bars.

A six-hour day makes possible a special Diana sports program.

In Memorium

WE, the Class of 1946, dedicate this page to the memory of Janet Hufford, a ray of sunshine that filled our lives with brightness for a moment and then returned to heaven.

A plaque now stands in the halls of our Brown Castle in memory of our classmate. Each year some senior girl will be chosen whose name will be engraved on this plaque. She will be the best representative of these qualities: cooperation in school activities, appreciation of the good and beautiful, tolerance and loyalty to the best traditions and genuine purposes of her school, and good scholarship interpreted as conscientious work. These she exemplified.

It still seems that Janet has just gone away and any moment will return bringing sunshine and happiness with her. Hers was a full, rich life. Constantly she was brimming over with ideas and was the "life of every party."

Janny still walks with us through the halls, just as she did a year and a half ago. We can never open a Spanish book or walk into the World room; we can never ride horseback or greet the dawn at a slumber party without feeling the warmth of her bubbling laughter all around us. That is the way our "Huff" would want it to be. She would want us to think not of our own loss, but of the gains we have had through knowing her and having felt the gladness and happiness of her smile. Janet will always stand as an example of the ideals for which we strive.

Janet did not die; she lives forever in all our hearts—The Class of 1946.

Honor Activities

When sophomores, students are given knowledge of the many honorary societies open to them at Stadium. Belonging and participating in these special activities come only from hard and purposeful work to achieve the goals that form such an important task of Castle life.

Carrying on the highest of Stadium's ideals, many members in the Class of '46 have learned respect, dignity and leadership. Their generous service to the school and the spirit in which it was given have set a standard we can well be proud of.

YVONNE MARIE

MARILYN POWELL

DONA
GEISENHEYNER

Honor Students

Indicating that the weaker sex is intellectually the stronger, three girls led the class of '46 in scholarship. With a grade point of 3.91, Yvonne Marie Battin was valedictorian, followed by Marilyn Powell and Dona Geisenheyner in second and third places, respectively.

Special credit is due Yvonne as she had a nine months' illness, causing her to miss a great deal of school. By working hard, and attending summer school to make up her lost credits, she was able not only to graduate, but to head the class. Besides her scholastic achievements, Yvonne was prominent in the fields of debate and journalism.

Marilyn, salutatorian, was secretary of Triple S, won her third-year athletic award, and was a member of Tigerannas, Mariners, and Sahasa.

Dona's activities included opera accompanist and supervisor, membership in Triple S, Sahasa and Riding Club, and a member of both The World and The Tahoma staffs.

A well-balanced program with the addition of a Recessional to end the affair was planned for commencement to be held on June 6. After much discussion and debate as to whether or not an outside speaker should be included in the program, the decision was reached to have students only speak at commencement. For this honor the valedictorian, the salutatorian and a boy picked from the senior honor roll were chosen.

The class of '46 has distinction in being the first one in Stadium's history in which more boys than girls will receive diplomas. It is the largest class since 1943, a tentative number being 520. Sixty-two of these will graduate by passing the general education development test.

With a decrease of one from the previous year, the senior honor roll numbered 51. Thirty-four were girls and 17 boys. Not completing all their high school work in Tacoma, nine students were on the outside honor roll.

ORVIS HARRELSON

SHIRLEY BAKER

LUCILE GRAHAM

HELEN VEATCH

1945 Award Winners

Outstanding in scholarship and accomplishment in the class of 1945, 12 seniors—8 girls and 4 boys—were honored with awards and scholarships at commencement last year.

Bestowed on the boy considered most outstanding in high ideals of sportsmanship and scholastic achievement, the Richard Graff Memorial Award was won by Orvis Harrelson. This award was presented to Stadium in 1919 by the late Dr. and Mrs. Marc W. Graff in honor of their son, who died while he was a senior at Stadium. The twenty-seventh boy to have his name engraved on the cup, Orvie was a two-year letterman in football, basketball and baseball, captaining last year's basketball team. Besides athletic activities he was vice president of Student Council, a member of Hi-Y and on the senior honor roll.

As a real climax to her outstanding journalism career at Stadium, Shirley Baker was winner of the journalism award. Shirley had the high honor and grave responsibilities of being editor of both *The World* and *The Tahoma*. She was also president of Quill and Scroll and earned her journalism letter.

Lucile Graham received the Garland music award, which is given each year to the student who encourages and contributes most toward musical life at Stadium. Other deciding qualities are leadership, citizenship, scholarship and capability. Lucile was accompanist for Girls' Senior Glee Club for two years, opera accompanist and member of the opera special chorus.

Two scholarships, awarded on a competitive basis, were given by Mills College in California. The trustee scholarship worth \$500 a year for four years was won by Helen Veatch, co-valedictorian of the class, while Gladys Aronson received the other, worth \$400 a year.

The Bausch & Lomb medal, given to the student showing the most promise in the field of scientific research, went to Leo St. Jean.

The two P.-T. A. awards were won by Fern Tschan and Leonard Raver. These are worth \$50 each, given for personal merit and accomplishment. Edward Scribner was presented with the \$100 Rotary Club cash award.

The College of Puget Sound scholarship, worth \$100, was awarded to Muriel Thompson. Bonnie Cripe was winner of the \$50 Shadle award, presented by Washington State College. Margaret Armstrong received a scholarship to Northern Montana College.

Student Council

Guiding the student body successfully in work and social events, Student Council had an active year under the friendly leadership of Dick Fowler, president. Helping Dick in his duties were the other cabinet members: vice president, Walt Hansen; secretary, Betty Lou Goore; treasurer, Mary Swanes. The four officers wore pins, new this year, designating their offices.

Acclaimed by many as "the best Football Night ever," the Bengal Room was presented Nov. 16 with Dorothy MacKenzie and Jim Reynolds as co-chairmen. Having a night club theme, the program contained a variety of individual numbers and group skits. Francis Hubert gave a fine performance as master of ceremonies. The Triple S skit was judged the best, while individual honors went to Hazel Manning for her acrobatic act and Art Orando for his football-player speech.

During the fall, committees from Stadium's and Lincoln's councils met to discuss juvenile delinquency and visited the detention home.

The cabinet visited Bremerton High to be entertained by the Student Council last fall, and Bremerton paid a return visit to Stadium in the spring.

With the money raised by giving movies and a magic show, a contribution of \$75 for a silver service set was donated for the battleship Washington. Money for the March of Dimes also was collected by Student Council.

A committee planned the calendar of events, which prevents conflict of dates for school activities. There was also a committee for scheduling assemblies. An exchange assembly with Lincoln was planned for the spring. Details of this assembly were not known when The Tahoma went to press.

Under the leadership of Jean McCrea, Girls' Club inaugurated such new ideas as teas for froshies to acquaint them with the club, its officers and other seniors; department meetings, and vocational conferences. Assisting Jean were Maudie Boyle, vice president; Berenice Brewitt, secretary; and Phyllis Kurrell, treasurer. Miss McCulloch was chief adviser for the second year.

"Hobo Hop," a hick dance sponsored by the social department, met with great success. Pat Wingard, social chairman, also supervised two mixers and the Girls' Club-Triple S tea, and was co-chairman for the formal given with Boys' Club.

Having charge of the Christmas stockings and Easter baskets to be sent to the Community House and Day Nursery was part of the work of the service department under Jo Ann Kirkebo. It also sponsored a scrapbook drive and aided Triple S in making pompons for the Thanksgiving game.

Nancy Challman took Marsha York's place as chairman of the welfare department when Marsha left to attend school at Annie Wright Seminary. Big sister meetings were organized to enable the activity to proceed more efficiently. Girls served for the P.-T. A. every month, and campaigns were conducted to keep the lunchroom clean, under the direction of Nancy Williams. Also included among the activities of this department were the polishing of the trophies and the putting up of Christmas decorations.

The biggest job of the fellowship department, under Virginia Wolf, was the Memorial Day assembly, the most impressive of the year. Besides encouraging girls to wear the traditional white blouses on Wednesdays, this group sent holiday greetings to teachers and cards to students who had been sick more than four days in succession.

Activities taken on by the club as a whole were making Christmas cookies for servicemen, selling small blue memo books to raise money, sponsoring a movie in the spring and holding the impressive installation assembly in May.

Boys' Club

To give the boys at Stadium an active club in which to participate, Boys' Club was formed two years ago. John Gaston led the group through this year as a service club, which directed its activities toward the betterment of the school.

Included in its program were intramural sports and a cleanup campaign in the lunchroom. A Boys' Club representative was sent to the junior high schools to tell mid-semester graduating classes what to expect at Stadium. The Boys' Club - Girls' Club formal, "Spring Symphony," was held March 1, with a dreamy atmosphere of fragrant apple blossoms greeting couples as they entered the boys' gym. Gene Bolstad and Pat Wingard were co-chairmen, and committees made up of members from both clubs worked hard to make it a success.

Serving the school were the five departments under their respective commission chairmen. Duties of these commissioners were: athletics, to have charge of the intramural program; social, to sponsor the formal dance in March, supply big brothers for in-coming froshmore boys in the fall and spring and have charge of other assemblies; morale, to back Pep Club in promoting pep and school spirit; welfare, to improve health and safety conditions around school; public relations, to have charge of handling any business between the club and the public.

Commission chairmen were Dwayne Westlin, Gene Bolstad, Ken Addis, Jack Bitcon and Ed Notley, respectively.

Other officers were: Dick Nicholson, vice president; Garry Hersey, secretary; Don Lochow, treasurer. Mr. Leatherwood was faculty adviser.

To serve in an advisory capacity to the Parent-Teacher Association, members of the Junior P.-T. A. Council are chosen at the beginning of every semester by the roll teachers.

The annual drive for membership was held under the leadership of Jack Waechter, president. Some of the entertainment for P.-T. A. meetings was planned by the junior council.

Meetings were held on call.

Fall Bond Managers

"In the strength of great hope we must shoulder our common load" — Franklin Delano Roosevelt.

With the end of the war, the sale of Victory bonds and stamps was essential in order to bring home the men in service. Investment in bonds and stamps by individuals as a saving measure was stressed. Doing their part, Stadium students purchased approximately \$3,700 in stamps and \$14,800 in bonds. Roll room bond managers were chosen by teachers and pupils for their dependability and scholastic achievement.

Faculty adviser for the bond managers was Mr. Smith.

Spring Bond Managers

"Always faithful" might well be the name applied to those hard-working individuals who each Thursday without fail superintend the sale of saving stamps and bonds. The above spring bond managers continued to do the work with efficiency and dependability.

Study Hall Assistants

Checking attendance with the gym, library and absentee lists, before making the final list for students' absences, is the work of study hall assistants who are selected by study hall teachers at the beginning of each semester.

Attendance Workers

Receiving highly useful experience in office work, 50 girls spent one period a day helping in the attendance room. Duties included compiling absentee lists, checking attendance cards, filing excuses, typing and other clerical work.

Applications for this work are made at the beginning of a semester with Mrs. Laursen, attendance clerk. She selects those having the necessary qualifications and supervises their tasks.

The collecting of attendance slips from the class rooms was done by girls chosen from first- and fifth-period study halls.

Student Nurses

Feel simply awful? Hurt a finger? Then there is a student nurse present in the Red Cross room who cares for minor illnesses and injuries to girls during the day. Besides doing a service, these student nurses acquire practical experience. They are taken from the Home Nursing classes, and are appointed to work one period a day for two weeks at a time, being graded on the work they do there as well as on class work.

The girls are under the supervision of Miss Danielson, school nurse.

Lunchroom Crew

To help serve during both lunches, a crew of students is selected by Miss Miller, cafeteria manager, at the beginning of every semester.

Because of the shortage of regular help in the fall semester this year, members of the retailers' class, Girls' Club and Triple S rendered their services during their lunch periods. The regular crew works during fourth period when programs permit.

These workers are under the supervision of the librarian, Miss Kobetich, assisted this year by Miss Lindaas.

Motion Picture Operators

Helping in the visual education program at Stadium this year were seven student operators, who gave up their study halls to run the projectors. Every day of the week two of the boys were at school by 8 o'clock in the morning. Receiving no credit for this work, they deserve much praise for performing a thankless but important job, according to Mr. Bakke, adviser of the group.

Every Thursday morning after bond managers turn in their orders for the following week and the money for the stamps they sold, bond workers check the money with the stamps sold and go over the bond orders. They must also fill the envelopes with stamps ordered for the next week.

During the big bond drive the girls checked and filled out orders for about \$9000 worth of bonds.

Some organizations develop hobbies, principal interests and talents, while others plan various projects to serve the school. Taking an active part in clubs such as these is a major factor in building a spirit of confidence and self-respect among students.

Debate Club

Participating in one invitational tournament and several individual debates, members of Debate Club climaxed their season by entering the district contests at the College of Puget Sound Feb. 15 and 16. Yvonne Marie Battin tied for second place in extemporaneous speaking and two of Stadium's teams participated in the quarter finals.

Music - Dramatics

The spirit of the Class of '46 has been extremely apparent in the hard work on annual musical and dramatic productions. Success and pride in these performances can come only from complete unity and cooperation.

A large number of students become members of Stadium's band, orchestra, glee clubs and Thespian organizations. Here they are given an opportunity to develop and display their talents before a varied audience similar to any they may encounter in future years.

Not only do these Stadions receive a wonderful worthwhile training, but the enjoyment and fun derived from these activities will long be remembered as an important part of school life.

Clara Bowe, as Lady Katherine, and Jerry Miller, as Francois Villon, played the leads in this year's opera.

"The Vagabond King"

Charming music, gay comedy and dramatic dialogue prevailed in this year's opera, "The Vagabond King," by Rudolf Friml, acclaimed as one of the finest and most extensive yet given by the music department of Stadium. Presented March 28, 29 and 30 in the school auditorium, it starred Clara Bowe and Jerry Miller in the leading dramatic roles.

Much credit is due Mr. Johnson, music director, and his assistant, Mrs. Gaul, dramatics instructor, for the success of this thirty-fourth annual musical production.

Old Paris during the reign of King Louis XI was the scene of the musical play. Clara Bowe, who delighted three audiences with her rich sweet voice, as the proud Lady Katherine, and Jerry Miller, who did a masterful job of portraying Francois Villon, the "king of the vagabonds," added love interest to the production.

The story revolves about a plot by the Burgundians to capture France. Villon takes the place of King Louis XI, creditably played by Gordon Anderson, and saves France from the enemy.

Other principal leads were Helen Hahn as Huguette, Villon's sweetheart, who gave a sincere and thrilling performance, and Bill Moeller as a thief and friend to Villon, who caused a sensation with his ludicrous behavior.

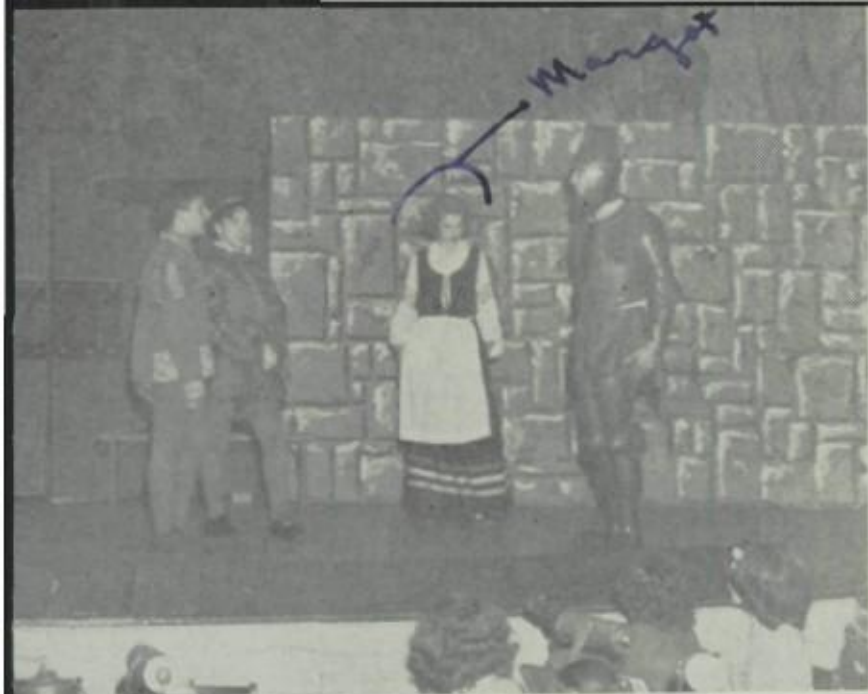

Secondary leads were taken by Jim Ernst as Rene di Montigny, a thief; La Vonne Schuler as Margot, the innkeeper; Dick Fowler as Tristan L' Hermite, adviser to the king; Jack Proud as Thibaut D'Aussigny, grand marshal of France; Rosalie Hoar as Lady Mary, a noblewoman; Alvin Tone as Oliver Le Dain, master of the royal bath, and Howie Rodman as Noel Le Jolys, a nobleman.

Other important leads were filled by Bob Carino, Jackie Schore, Rosemary Llewellyn, George Hupe, Rudy Marinacci, John Reiman and Roald Reitan.

Members of the ensemble who created an appropriate background for the production equally well as the lousy rabble of Paris and the ladies and gentlemen of the court were Dorothy Antonsen, Joyce Brynestad, Lillian Finson, Betty Lou Fyke, Dorothy Johnson, Genevieve Martin, Shirley Munt, Nancy Osborne, Laurine Schore, Claire Thompson, Shirley Tunstall, Bonnie Lee Walker, Harold Arnold, Sidney Bowe, Charles G. Caddey, Doug Corns, Colvin Glenn, Forrest Knapp, Harold Larsen, Del McLaughlin, Bill Nicholas, Jay Dee Nitzel, John Reiman and Charles Swanson.

With Doris Henderson as supervisor the dancing chorus was made up of Billie Baker, Betty Cunningham, Janine Eklund, Louise Fullinwider, Ramona Gibson, Gerry Gordon, Virginia Gundstrom, Cynthia Harris, Barbara Hedberg, Myrna Juntti, Janet McMath, Marjie Joy Miller, Darlene Reynolds, Nancy Riehl, Donna Waite, Joyce Welch and Patsy Whited.

The long hours of practice and rehearsal were rewarded in the fine performance given by the orchestra. Pianists were Frances Kitlar, Nancy Newell, Veona King, Joy Lundgren and Maxine Shaw.

Orchestra

The difficult task of accompanying soloists, chorus and dancers for the annual opera was performed by the orchestra under the direction of Mr. Johnson. Customary concert appearances were not possible due to a lack of instrumentation, but several assembly appearances were made during the year.

A noticeable increase in membership over war years indicated that a return to a complete orchestra would soon be possible.

Officers for the year were: Fran Kitlar, president; Deltha Bures, vice president; Clara Hopper, secretary-treasurer.

Band

Under the able leadership of its new director, Mr. Jones, the band added school spirit to football games and supplied a pep band for basketball games.

For the first time in six years the group gave a mid-winter concert besides the annual spring concert. The band also played for assemblies, took a trip to Everett and participated in the Northwest music contest.

Officers were: Jim Boze, president; Ron Stenger, manager; Bob Baird, assistant manager; Ruthella Raver, librarian; Ron Holden, publicity; Clarice Loren, senior representative; Joanne Stebbins, junior representative; Charles Candoo, sophomore representative.

Tigerannas

"Do we have to practice again today?" "Gee, I'm tired!" Yes, every Monday, Wednesday and Friday after school Tigerannas practiced struttin' their stuff. Interesting routines were worked out through the year to boost the morale of the football team and the crowd. Besides the Thanksgiving Day game they marched at the Seattle Prep, Everett and Grid-Go-Round games. The girls were also guests with the band at a Fort Lewis game and entertained during the half by forming, along with a letter formation, a jack-o-lantern in honor of Hallowe'en.

They were led through the year by Jerry Gordon, president; Dolores O'Dore, vice president; and Margie Nilsen, secretary.

Mr. Jones was the adviser.

Drum Majorettes

Twirling their way to fame, six majorettes led the band and Tigerannas through rain, fog, mud and slush of home football games and one out-of-town game this season. They also marched at Fort Lewis during the half-time of an army game.

Led by Marjie Almvig, head majorette, Beverly Butler, Alice Edwards, Margaret Fullinwider, Phyllis Kurrell and Donna Waite upped the morale of Stadium rooters, and during the Thanksgiving game led the band and Tigerannas in forming "Tigers" and "Stadium."

National Thespians

Achieving the highest point that dramatics enthusiasts may work for at Stadium, six students earned the title of National Thespians this year. Points for the club were gained by being in regular productions at meetings, participating in a public performance and taking a class in dramatics.

Members this year were Bill Allen, Nancy Andrews, Margie Nobles, Bill Ryan, Patty Lou Schaller, Viva Summers and Ruthella Raver.

"A Little Honey"

Given for the first time in the fall because of numerous spring activities, the Senior Class play, "A Little Honey," a sparkling comedy about the problems of young love, was presented under the direction of Mrs. Gaul on December 13 and 14 in the auditorium.

Diana, a lovely and sophisticated girl of 21, was capably portrayed by Barbara Graham. The situations caused by her listening to the advice of others as to how to win Tom, a young naval officer played by Jerry Miller, furnished the swiftly moving plot.

Pat Schaller took the part of Mrs. Minton, a domineering woman who ruled the roost. Bill Allen played the long-suffering Mr. Minton, who bowed to his wife's commands.

Beth DeMille gave an excellent characterization of Grandma Thornton, who had some young ideas and used them to help Diana and the rest of the Minton household.

Scoots, a tomboy of 10 interested in frogs and puppies, was played by Ruthella Raver. Jerry, an adorable adolescent, was taken by Nancy Andrews, and her adoring boy friend Albert was portrayed by Gordon Anderson.

Joan Mertz convincingly took the part of Mrs. Tyler, a charming Southern widow. The independent cook Delores was played by Lois Kenney. Rhea Riehl acted the part of Simmons, a trained nurse, and Bill Ryan the part of the Sure-Shot exterminator man.

Much credit goes to Mrs. Gaul, dramatics teacher, for directing this annual production.

Publications

Serving as an informant and reminder of high school days, Stadium's two publications present students with facts and enjoyment.

Aside from the fun, humor and unpredictable incidents included in this field, the beginning journalist learns to consider the likes and dislikes of his fellow men. Here a spirit of comradeship and keen thinking are promoted. No other activity offers more valuable experience or training, and its participants work hard to obtain the thrill that comes from success and accomplishment.

ED HANSEN
Editor

Fall World

Heading an editorial staff of 24 members, Ed Hansen became the forty-fifth editor of The Stadium World. He wrote "Turret Musings," a column of editorials. Shirley Willis was news editor, while Joan Fries supervised the features department.

"Jester's Bells" were contributed by the staff and the Journalism 1 cubs and edited by Ed Hansen. "Staff Sallies" also were contributed by the staff and the cubs. "Brown Castle Bricks" were written by feature department members, with Dayle Hoegh doing the art work. Instead of the traditional block silhouettes of the outstanding seniors, pen and ink drawings were introduced in the second issue. This had never before been attempted.

Upon Marvin Levy's resignation as co-sports editor, Gene Lough assumed whole responsibility for that section of the paper. Beverly Leach covered girls' sports and other "Diana Doings."

Louise Sylstad was business manager, with Marcella Morton, ad manager, heading an advertising staff of nine members.

A helpful new feature during the fall was the writing of articles about various colleges which Stadiums might be planning to attend. These writeups included information about entrance requirements, fees and other matters. The World also helped promote a lunchroom cleanup campaign. Increased funds made it possible to have more cuts and a banquet, in addition to two staff parties in 107 with ice cream and cake.

Climaxing the semester for the staff was a big Christmas issue with five pages of news, three pages of sports and a special four-page section of features.

Silhouettes for "Brown Castle Bricks" were drawn by Clarisse Goulder, while Rudy Marinacci was staff cartoonist and Ron Smith, photographer.

Spring World

Living up to its motto "Easy to Read and Worth Reading," The Stadium World continued this spring to provide Castlites with entertainment and information. Headed by Shirley Willis as editor in chief, the staff consisted of 38 students, including 10 ad solicitors. Jacqueline Stephenson assisted Shirley as general news editor.

The feature pages were taken care of by Nancy Thomas, feature editor. "Brown Castle Bricks" and "Chateau Sallies" were continued as well as "Jester's Bells," jingled by Joan Fries as "Jif." A new editorial column, "Through the Looking Glass," was initiated this semester. In place of articles on colleges there were stories giving the history of Stadium clubs.

The sports department was handled by John Friars, assisted by Avis Face, who wrote "Diana Doings."

Because of his excellent work as editor in the fall, Ed Hansen became student adviser for the second semester, a position not held for a number of years. Mr. Hoffman completed 24 years as faculty adviser.

The business end of the paper was under Louise Sylstad, manager, aided in her work by Donna Arnold. Patty Schaller was manager of the advertising department.

Tahoma

To present the Senior Class and school with an annual a little different was the aim of the 1946 Tahoma staff and editor, Beverly Leach, when planning this year's book.

The color scheme of white with a gold wash was chosen and the tiger head cover design drawn by art co-editors, Dayle Hoegh and Gene Bolstad. Padded covers were again used.

Work was started on The Tahoma last spring when Bev was named editor by the Junior Class cabinet. The theme of the tiger and the spirit of '46 was decided upon then. In the fall when the staff met as a class, contracts were awarded and assignments begun.

Pioneer, Inc., again was voted the contract for printing the book and the Washington Engraving Company for the engraving. From a group of five entries, Nolan Studios was awarded the contract to take the senior photos and also the group pictures.

Something novel to Tahoma was the caricature of the tiger throughout the book and on every division page. This year the front inside cover had a drawing of a castle, depicting Stadium, with a little girl and boy tiger entering with books. On the back inside cover they were coming out of the castle with diplomas, representing the Senior Class of 1945 after its three-year stay at Stadium. The drawings were by the art editors.

Assistant editor was Lois Kenney and staff photographer was Ronald Smith with Royce Ward as his assistant. The latter two were the only juniors on the staff. In charge of senior writeups was Mildred Stevenson and of the snapshot contest Marjorie Scholdsten. Arlene Nelson supervised work on the index, used for the third year to help students locate their pictures in the annual.

QUILL AND SCROLL

ROW 1: Joan Fries, Bev Leach, Mr. Hoffman, Lois Kenney, Jacqueline Stephenson. ROW 2: Patty Schaller, Dona Geisenheyner, John Friars, Gene Lough, Ed Hansen, Yvonne Battin.

Journalism Advisers

Stadium's annual and newspaper hold the unique distinction of having had from their first issues the same advisers: Mr. Giltner for The Tahoma and Mr. Hoffman for The World. Both publications are ending their twenty-fourth year.

Mr. Giltner has been director of finances of The Tahoma since 1923 and general adviser since 1934. He is also financial adviser of The World.

Brought to Stadium especially to put out a weekly newspaper, Mr. Hoffman not only supervises the editorial and advertising staffs of The World, but also teaches journalism. From 1925 to 1934 he was editorial adviser of the annual and has continued to the present to edit Tahoma copy.

Quill and Scroll

Larger and more active than in past years, Stadium's Melville E. Stone Chapter of Quill and Scroll had a membership of 12, with 6 Stadions being admitted in the fall and 6 in the spring semester.

To qualify for this international honorary society for high school journalists, each student must have done outstanding work in high school journalism, have a "B" grade average and be recommended for membership by the journalism adviser.

Officers elected in the fall were: Gene Lough, president; Joan Fries, vice president; Beverly Leach, secretary-treasurer. Mr. Hoffman was adviser.

Athletics

Win or lose, boys and girls partaking in athletics learn to accept both victory and defeat admirably. A durable spirit of sportsmanship now will be an even greater asset in the busy peacetime world of tomorrow.

Good teamwork, long hours and continuous practice have yielded many honors and awards to the Class of '46. With such spirit and eagerness throughout the years, Stadium cannot help but be well represented in the sports field—its students ever proud to belong to the old Blue and Gold.

Varsity

By beating Lincoln 7-6 in the Thanksgiving Day classic, the Tiger grid squad brought an otherwise unsuccessful season to one of the most thrilling climaxes in recent years. Because of this win they copped the city title, and a third place rung on the Cross-State ladder.

Three times the Lynx were ground to defeat at the hands of the Royals, who captured the Grid-Go-Round championship when they sank Clover Park, 6-0, and Lincoln, 7-0, in the finals. A week later the Bengals again flattened the Abes by a 14-0 count in the annual "no count" game.

Journeying to Longview for their first out-of-town battle, the Royals took their first defeat at the hands of the Loggers, whose speedy halfback, Howe, managed to cross the Stadium goal for a 7-0 victory.

Their first Cross-State win came when the Royals smeared Bremerton by a 12-7 count in the mud and mire of the Wildcats' field. Bogging down in the opening stanza, the Stadions allowed Bremerton to gain a 7-0 lead. A fiery pep talk by Coach Heinrick inspired the Bengals to drive two tallies across in the second half, giving them a 12-7 score.

Any high hopes gained from the win of the week before were drowned by the loss to Everett, even though the Bengals showed a decided improvement in their play, in the annual Armistice Day tilt. Because the holiday came on Sunday, the game was played a few days before. Lack of the conversion after the Bengals' second score gave the Seagulls a 14-13 decision.

The upset of the year came on Thanksgiving Day when the gridders were able to eke out a 7-6 decision over the Lynx. Trailing by a 6-0 margin at the end of the first half, the Bengals drove over the Abe goal by virtue of a 50-yard pass from Walt Espeland to Paul Johnson, who scampered to paydirt.

Five men were named to the all-city team. Speedy Paul Johnson was voted the halfback spot, as was Garry Hersey the quarter berth. John Walters was the only lineman to make the first team. A three-way tie was brought about when Jack Waechter, Tom Baker and Gordon Hansen of Lincoln were all voted for end.

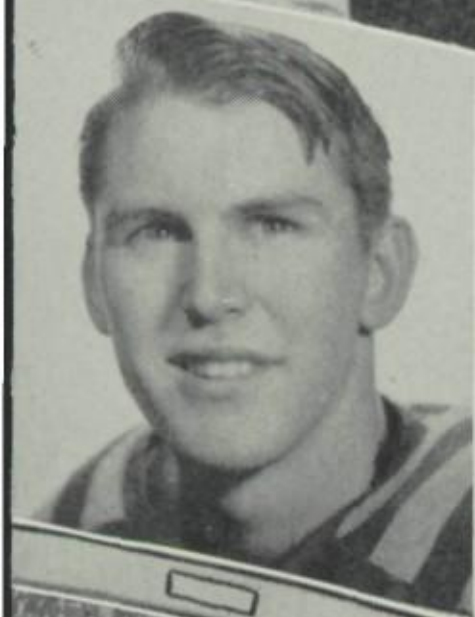

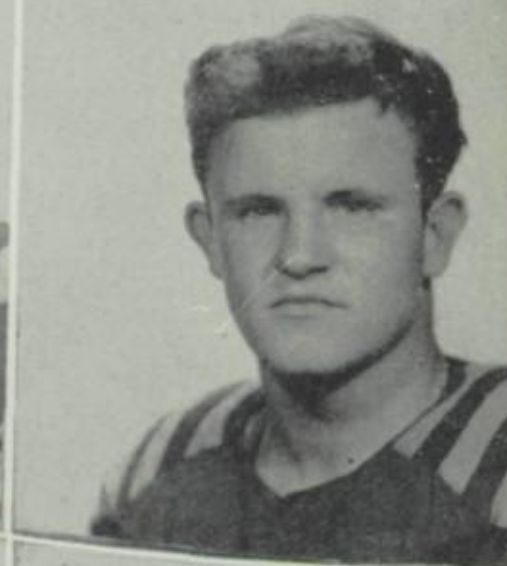

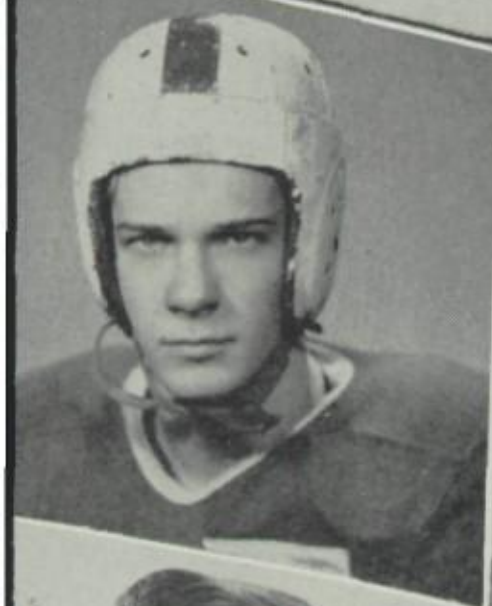

Piling up 72 points against 61 by their opponents, the Bengals went only three games unscored upon.

The following week Bellingham handed Stadium a second loss when the heavy and powerful Raider squad smeared the Tigers, 15-0, in the bowl. Jerry Blankenship, 235-pound back, and Bill Olsen shared the honors for the northerners.

Their chance for the city crown came when the Tigers nailed Bellarmine, 7-0, in the mud of the bowl. A quick pass from Espeland to Hersey gave the Stadions the victory.

Five costly fumbles spoiled any Cross-State hopes for the Royals when they met defeat at the hands of Seattle Prep. The Panthers managed to eke out a 12-6 victory over the mired Bengals. An 85-yard run by Walt Espeland in the first quarter highlighted the battle even though the Tigers lost.

Bruce Andreassen and Wells Anderson were elected to head the 1946 team at the annual banquet. Gene Steinauer was given the inspirational award.

Reserve Football

Winning three games and tying one, the reserve gridmen completed a most successful season in which they took the city crown for the second successive year. Chalking up 50 points to their opponents' 6, the seconds were scored upon only once, that being in a close battle with Lincoln.

Previously the Stadions had fought to a scoreless tie with the Abes. A few weeks later they dumped them by a 13-0 tally.

Bellarmino met defeat at the hands of the Tigers by the one-sided score of 30-0.

Sophomore Football

Narrowly missing the city championship, the soph grid squad bowed to the Lynx sophs in the deciding battle of the yearling season. At the beginning of the year, the Cubs downed the Abes 6-0, but met defeat at their hands by the same score a few weeks later. This placed the two teams in a tie for the championship. Bellarmine had been defeated by a 6-0 tally.

In the final game, however, the Lynx managed to down the Cubs again 6-0.

Two encounters with Puyallup resulted with the yearlings driving over a 12-7 decision in the first battle, but unable to score in the second, which ended in a 0-0 tie.

Managers

Long hours of hard work are put in by the managers who receive no glory for their indispensable duties. The boy managers mark the field, carry water, care for the equipment, keep records and do other tasks for the coaches. Diana managers schedule and direct after-school turnouts, referee games and test girls earning points for hobby sports.

For this work the boys are awarded letters and the girls shoulder emblems.

Junior Football

For the first time in several years, an all-junior squad was organized at Stadium. A total of four games was played by the team, one being won, one tied and two lost. The team was coached by several alumni of Stadium. Dick Brown and Dick Parker, both '45, led the boys at first, while Gene Walters and Dick Martin took over at mid-season.

Gene Shortlidge and Bob O'Larry co-captained the group, Gene Bittner winning the inspirational award.

Coaches

With an all-star coaching staff guiding Don and Anna Stadion through the various sport programs, Stadium enjoyed another successful year.

The directors and the sports they supervise are: Mr. Heinrich, varsity football; Mr. Lowman, varsity basketball and sophomore football; Mr. Levinson, assistant football coach, track and sophomore basketball; Mr. Lemmon, reserve basketball; Mr. O'Neel, wrestling; Mr. Streeter, swimming; Mr. Summers, baseball; Mr. Swarm, golf; Mr. Epstein, tennis; Mr. Giltner, rifle; Miss Bernard and Miss Minton, girls' sports.

COACH LOWMAN

Varsity Basketball

Starting with the disheartening fact that it had only one returning letterman, the basket squad had an average season in the estimation of Coach Lowman. Though winning only half of their games, the hoopsters managed to cram their 11 victories in at the right spots to win the city title and earn a fourth-place rung on the Cross-State ladder.

A rugged and fast quintet was on hand to play in the season's first contest, the Hoop-Go-Round, in which the Tigers downed all their opponents until the final game, for first place, which they lost to Puyallup. Previously they had beaten Bellarmine, 5-1, and Fife, 7-6, to enter the finals with the Vikings.

In the city race the Bengals won all their games but two, those being a 40-38 heartbreaker with Bellarmine and a rough and tumble 38-29 battle with Lincoln after Stadium had clinched its title hopes.

Only one fray was outstanding in the Cross-State loop, that being the second one with Bellingham. Trailing 29-9 at the half, a rejuvenated Royal five came through a blistering third quarter to take a 35-34 decision from the Raiders.

Holding the spotlight in the scoring line, Captain Dwayne Westlin and George Hupe shared top honors.

A much more experienced team will be on hand for next season. Ed Notley, second string guard, will head the quint, with Walt Espeland, Harry Nygard, Dick Boyle, Don Maitland and Ron Tuttle as returning lettermen.

As was done the year before, two boys were given the inspirational award. However, this year the squad presented an award to the school. Engraved on this plaque will be the names of Jack Buescher and Gordon Winsley, co-winners this year.

Reserve Basketball

With a record of 13 wins out of 20 starts the reserve hoopsters had their best season in several years. Trained by Mr. Lemmon, a newcomer to the coaching staff, the Tiger cubs showed speed and dexterity, giving promise of a fast and powerful squad for next year.

A perfect record of 6 wins was made in the city race, in which the cubs took first place. Only in Cross-State play did they meet defeat, twice to Bellingham and Seattle Prep.

At their annual banquet, the reserves chose Charles Quinn and Bill Reid for the honorary positions of co-captains, and Don Danielson was given the inspirational award.

Sophomore Basketball

Sparked by its ability to change from defense to offense, the soph hoop squad under the direction of Mr. Levinson was the only team in the city race to defeat the spectacular Bellarmine soph team. Coming in second in the league, the cubs downed the Lynx yearlings in two out of three tiffs and won one out of three with the Bells.

At the annual banquet the cubs chose Bill Geiger as honorary captain of the team and gave Bud Waiss the inspirational award.

The mainstays of the squad were Bill Olson, Bill O'Larry, Bill Geiger, Nick Mosich, Bud Waiss and Louis Youngman.

Reserve Wrestling

Fighting only two matches, the reserve grapplers downed the Lincoln seconds twice in a row, 38-21 and 26-23, to take the city reserve championship.

Although the schedule was light, the spirit and fight of the reserves assured a powerful squad for next season.

Working out with the varsity, the reserves receive the same instruction as the first team, also gaining experience by bouts with the first-string matmen before each meet.

Coach O'Neel and the co-captains headed the aspirants, giving them the pointers of the grappling sport.

Intramural Sports

To promote interest in athletics and give boys experience in sports, a widely varied intramural program is carried out each semester. Under the direction of Mr. O'Neel, instruction and competition in basketball, track, wrestling, badminton and archery are given.

During the fall semester a tyro wrestling schedule was carried out under the supervision of the wrestling coach and the co-captains. At the end of the season a tournament was held, the winners being awarded intramural shields.

Varsity

COACH O'NEEL

For the first time since 1941, the beautiful Cammarano wrestling trophy was won by this year's mat squad. With a record of seven straight victories the grapplers had their most successful season in years.

Since the departure of Karl Deitrich, last year's mentor, Mr. O'Neel took over coaching duties and was assisted by Mike Reuter, a discharged paratrooper. Walt Hansen and Bob Curran were co-captains, with Tom Baker acting as student coach.

Lincoln fell twice to the powerful Bengals, 36-20 and 24-22, to give them the city crown. Although they were the strongest in a long time, the Abes could not stand up against the Royal matmen.

For the first season since the war, Fife put a mat squad in the field, which bowed to the Tigers, 38-16 and 29-19.

Journeying south, the Royals tackled a tough Longview squad by a 27-25 count and the week later by a 39-23 tally.

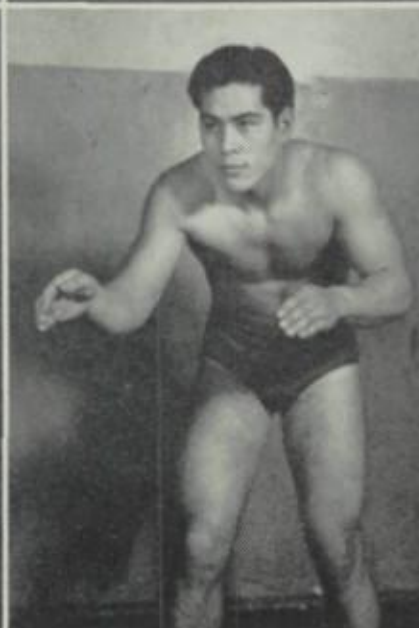

At the annual banquet Frank Perrone was given the inspirational award and Skip Norton and Herman Beyer were elected co-captains. Although hampered by an injury all season, Perrone was able to turn in one of the most spectacular fights of the season when he fought to a draw with Septowski of Lincoln.

COACH STREETER

For the second time in two years, the varsity swimming squad copped all honors in the city, Cross-State and state competition to set an all-time record. Under the able leadership of Ed Werner and Bob Steinseifer, co-captains, and Mr. Streeter, their new coach, the tankmen were able to take on several outside engagements besides their regular meets. One of these was a trip to Victoria, B. C., which, it is hoped, will be an annual occurrence. Although they were beaten by the Canadians, the mermen did not lose a single league meet.

Lincoln met defeat twice at the hands of the Tigers, 39-27 and 49-17. The latter victory was won even though the Royals had five men missing. By an 18-point margin the Bengals won over their nearest opposition, Lincoln, in the state meet at the University of Washington pool. The scores were: Stadium, 59; Lincoln, 41; Everett, 35½; Longview, 12½.

At their annual banquet the varsity mermen bestowed the honor of inspirational award upon Dick Nicholson and voted Ken Addis and Dave Bigger to be co-captains for next year. Besides these two, the team of next year will be blessed with 25 returning lettermen.

Competing in a total of six meets, the reserve swimmers had a perfect season by taking the city title and winning all of their matches. Lincoln, their only opponent, never seriously threatened the fast Tiger mermen, who won by at least 24 points each time.

Outstanding in the squad were Bob Nichols in the 200-yard race and Dave James and Bill Storie in the 100-yard.

Contrary to tradition, the reserves did not elect a captain but gave Dave James the inspirational award.

ROW 1: Dave Bigger, Don Kneip, Clare Hopper, Ed Werner, Mr. Streeter, Bob Steinseifer, Jim Driscoll, Ted Erichsen, Joren Husby, Ralph Loudin. ROW 2: Bob Bourden, Dick Lowery, Dick Nicholson, Dave James, Jack La Rue, Bob Nichols, Bill Bidwell, Bill Storie, Jim McCormack, Benjamin Marble. COACH LEVINSON

Varsity

With only five returning lettermen composing the veteran strength, Co-Captains Dwayne Westlin and Don Warter were kept busy working the bugs out of the 1946 track team.

A total of six meets had been scheduled at the time the Tahoma went to press, and a triangle meet with Puyallup and Clover Park had already taken place. Handicapped by the bad track conditions, the Stadions came in second.

The loss of Bill Kowalski, veteran shot putter, who went into the Marines, was made up for by Sam Baker, a sophomore, whose distance was rapidly nearing the mark set by Kowalski.

By his heave of 44 feet 10½ inches, Sam Baker set a new record which brought Stadium ahead 57.4 to 55.6 in the meet with Auburn April 19.

Bill Storie tied all existing records in the 100 and 220 yard dash, while Dwayne Westlin took first in both the high and low hurdles and the high jump.

SAM BAKER

BOB LA HATT

Taking first place in a triangle meet, the Bengals beat Aberdeen and Olympia, 59-52-25, April 27. Stadium placed first in the majority of the events, While Hansen of Aberdeen starred for the opponents.

Track

In the long distance events two lettermen, Bob La Hatt and Curt Hilton, held down the top spots in the mile and the 880, respectively, with La Hatt's time for the mile nearing the city record.

The other returning letterman was Weldon Howe, who saw a year of action in the merchant marine before coming back this year.

The scheduled events were: May 3, Everett, there; May 10, Lincoln, here; May 18, west central district meet, Seattle; May 25, state meet, Pullman.

By an 83 $\frac{1}{3}$ to 36 $\frac{2}{3}$ to 1 tally, the Tiger cindermen ground under all opponents in the annual all-city track meet held in the bowl, May 9. Fielding their first organized team since pre-war days, the Lynx managed only to take a first place in the discus and to compile 36 $\frac{2}{3}$ points for second place honors.

Bellarmino fell even lower, fielding but one man, who took fourth place in the mile to garner the west enders' solitary counter. All other firsts were taken by the Bengals whose skill surpassed their opponents in every event.

With nearly a full team returning from last season, the baseball squad had the best pre-season outlook of any in recent years. At the start of the league season, only one full-time game had been played, that being an eight-inning battle with Bellarmine which ended in a 3-3 deadlock. The week before the batmen overwhelmed a weak Sumner team in five innings by a 14-1 score.

Handicapped only in the pitching line, the Stadions had several backer-up men in each position. Harry Nygard was the only returning hurler, besides being the co-captain with Garry Hersey.

According to the reported strength of the various Cross-State teams, Stadium was rated with Bremerton and Bellingham, last year's winner, as one of the three top teams in the league.

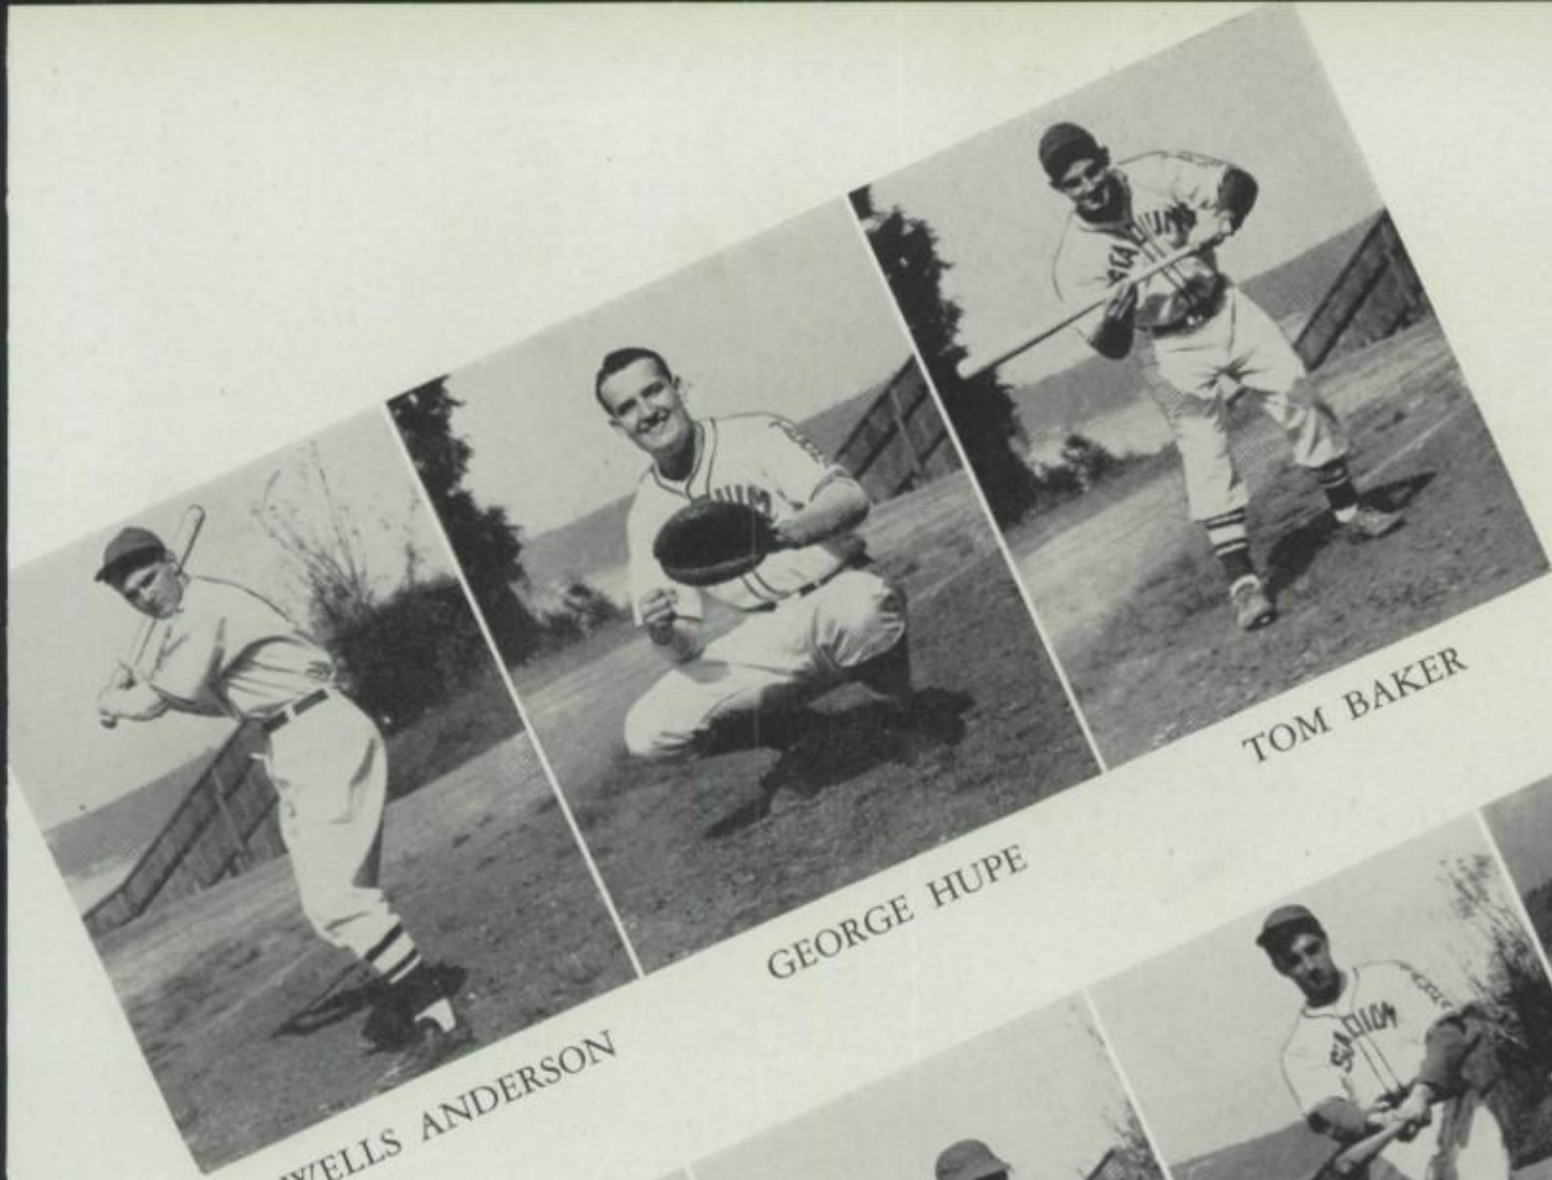

Besides Hersey and Nygard, the veteran strength of the squad was made up of Tom Baker, Ray Spalding, Walt Espeland, Wells Anderson, Milton Gust and George Hupe.

At the time the Tahoma went to press the Batmen were leading the field in the city race with two victories and no losses to their credit. Bellarmine was the first to fall by an overwhelming score of 13-0. The following week Lincoln hit the dust to the tune of 14-1 after a blazing rally by the Stadions.

Harry Nygard pitched his best game of the season, fanning 13 Lynx. Walt Espeland's homer in the seventh, with the bases loaded, highlighted the battle.

The schedule was: April 11, Puyallup, here; April 19, Bremerton, there; April 23, Bellarmine; here; April 26, Bellingham, there; April 30, Lincoln, here; May 2, Clover Park; May 3, Seattle Prep, here; May 8, Puyallup, there; May 10, Everett, here; May 14, Lincoln, there; May 14, Bellarmine, there; May 16, Clover Park; May 17, Lincoln, there.

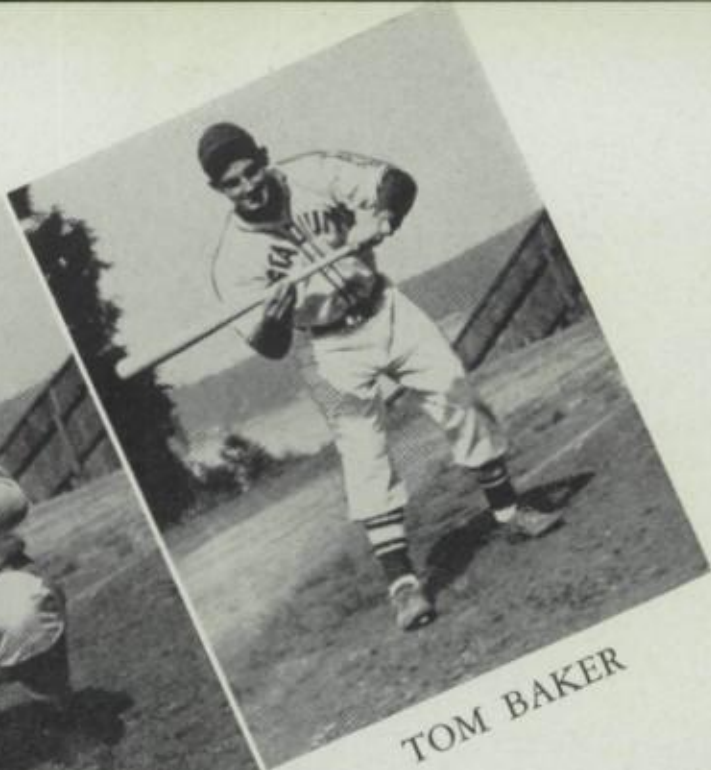

If the squad managed to win the city title, a game was to be played with the winner of the county league to determine the team which would participate in the state tournament May 30 and 31.

Varsity Tennis

Under the direction of Mr. Brown, a newcomer to the faculty and an alumnus of Stadium, the golf squad showed greater promise than any in recent years. With the return of Bruce Andreasen, Dick Nicholson, Jim Fowler, Charles House and Bud Nelson, last year's first string, and a host of able reserve strength a powerful team was expected.

At the time The Tahoma went to press one tournament had been scheduled, that being with Lakeside of Seattle on March 29, but was cancelled because of wet conditions on the Fircrest golf course.

According to Larry Martin, club president, the team gave great promise for the coming season.

Varsity Golf

With six matches scheduled for varsity and two for reserves, the tennis squad was forced to start anew after last year's championship team was graduated. The only letterman returning was Captain Jack Buescher, a two-year player.

At the time The Tahoma went to press no matches had taken place, but the first team had been chosen. It was composed of Jack Buescher, John Hewitt, John Gaston and Bill Olson.

Of the other boys turning out two teams from each class were to have been selected under the direction of Fred Veatch, Bill Stevenson and Tim Chapman. These teams held competition among themselves, with no varsity members allowed.

The varsity schedule was: April 25, Seattle Prep, here; April 26, Everett, here; May 1, Bremerton, there; May 8, Bremerton, here; May 10, Lincoln, here; May 13, Seattle Prep, there.

Officers were: president, Marion Willoughby; vice president, Helen Gladstone; secretary - treasurer, Pat Hotes.

Filling the important job of assistants to the gym instructor, 39 boys were enrolled as student leaders this year, led by Ron Tuttle, president. The most important activity of the group was the student leader boxing show, held in late November. John Larsen and Ron were in charge of it.

A semester of training under Mr. O'Neel, adviser, is required for enrollment in the organization.

Hike Leaders

"How much farther do we have to walk?" "This fog isn't doing my hair any good." So go the lives of the 24 hike leaders chosen by the Stadiana cabinet.

In order to qualify for a point toward her athletic award, a girl must go on 5 out of 12 hikes held during the fall and spring.

With two girls in charge of each hike, Dianas march for five miles to reach their destination.

Pin Winners

Highest athletic award for girls and goal of all Dianas is the gold pin in the form of an S, representing three years of participation in girls' sports.

Holding a banquet April 30 the seniors honored their captain, Miss Bernard and Miss Minton coaches.

As The Tahoma went to press, it was being debated whether or not they were able to have a swimming meet with Lincoln.

Pat Heinrick, manager, was assisted by Fran Kitlar and Lois Bryant.

Tennis Champs

Once again Eloise York, while a junior, captured the girls' tennis singles crown for 1945 and claimed a half share as the doubles victor. Eloise won the singles finals and teamed with Marilyn Powell, then a junior also, to take the doubles laurels.

School Life

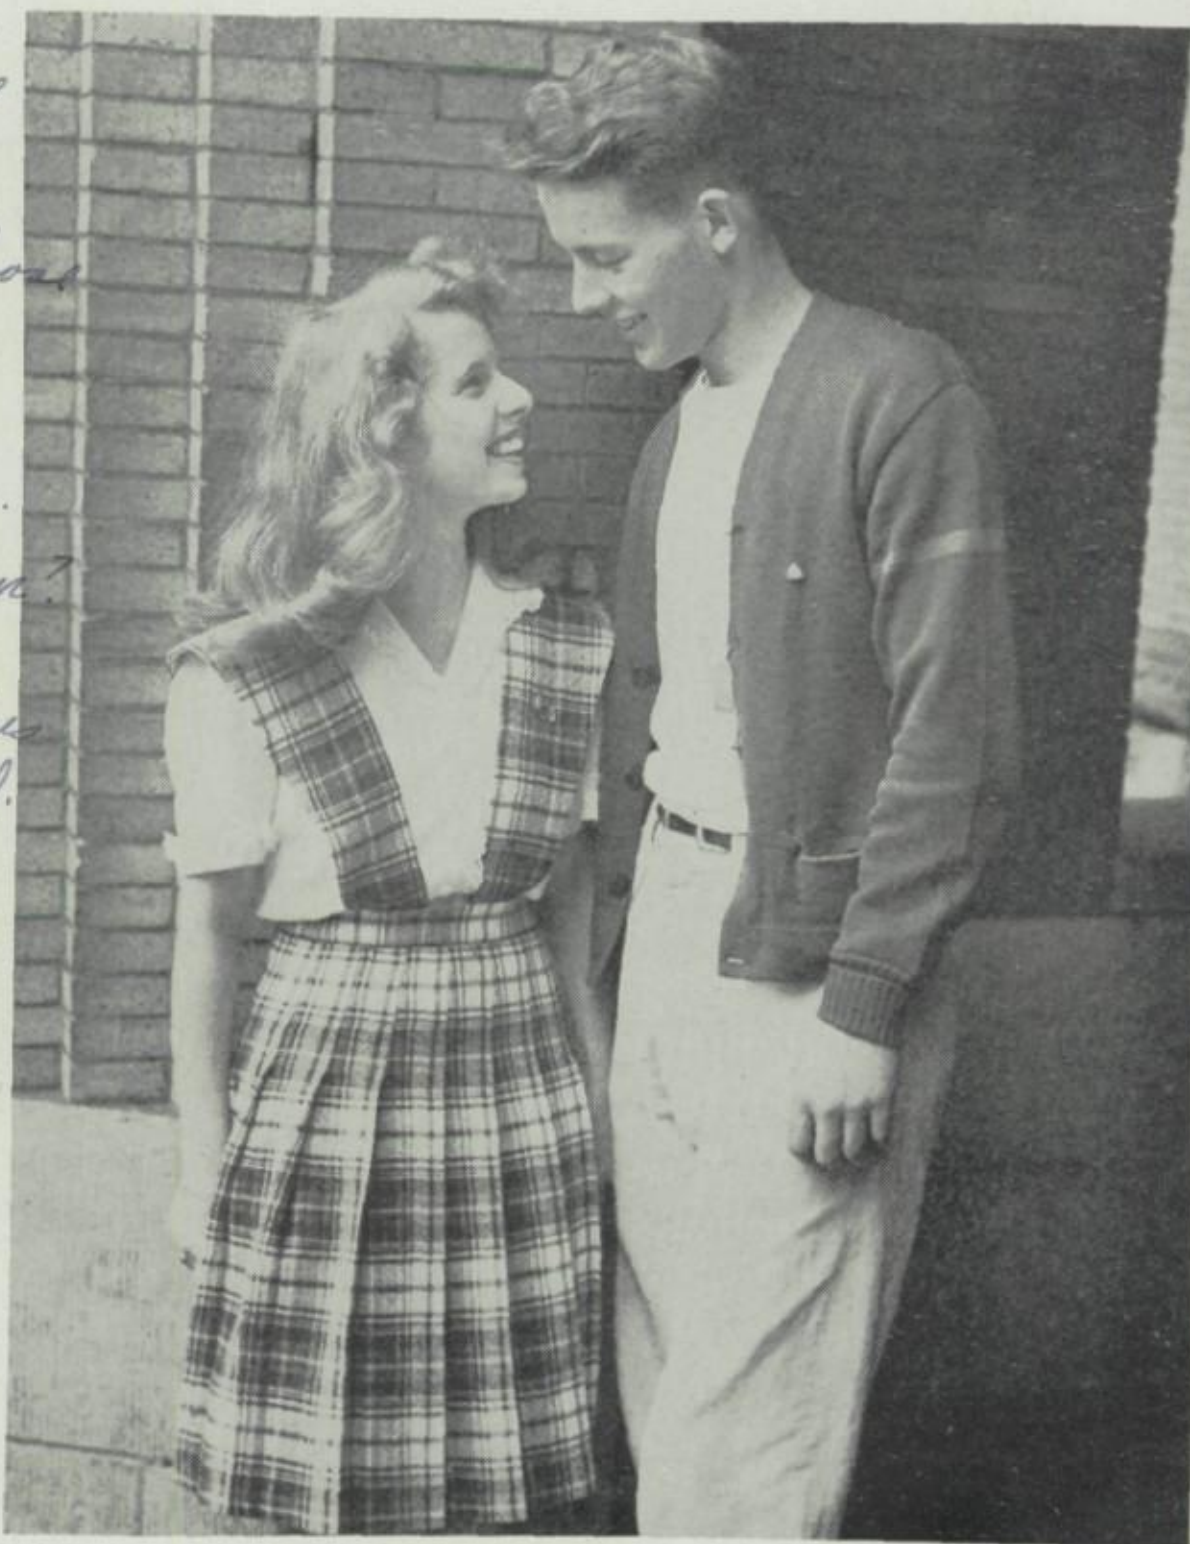

Dreamy-eyed steadies . . . posters everywhere . . . forged library slips . . . rainy football games . . . clocks that never work . . . tolos . . . straight bangs and sloppy loafers.

Out-of-town basketball games . . . the crowd in the front hall . . . lunchroom candy lines . . . clubs and more clubs . . . petitions by the dozens . . . the court—all a part of school life!

Castle activities such as dances and assemblies promote interest and furnish students with a great deal of enjoyment. "The Spirit of '46" needed no prompting on this lighter side of high school life, and Castlites worked fervently to increase and better their social affairs.

My dearest darling, (Big joke)

Just think back, dear, to all the wonderful!! times we've had in our good old school days. Ah, yes. I've watched you year after year flirting with all the boys, especially sailors, and flitting from one to another. For instance, there was, Glenn, Buzz, Lannie, Bob, Bob, & Bob, Jim, Jack, and all the unnamed ones at the Naval Hospital. Of course, I haven't begun to name them all, but I think maybe I'd better quit now while I'm still all here. Remember all the basketball games and most of all the State Tournament. Ah, good old Battleground! I wonder what you will be doing about a year from now. Probably setting up housekeeping with twins on one knee and triplets on the other. I'll probably be raising a family, too, a family of cats! Oh, well, that's fate! Well, now, it's bye for now to a wonderful gal and a perfect pal! Lots 'o luck and happiness,
Barb.
